RE: Senesco Marine LLC Release of Notice of Violation
File No.: OCI-HW-14-89

Dear Mr. Zonghetti :

The Department of Environmental Management (DEM) has received your letter October 8, 2015, requesting a reduction of the penalty contained in the above referenced Notice of Violation (NOV) dated August 12, 2015 (the Letter). Also an inspection of your facility was conducted on August 15, 2015 and final documentation of full compliance was received on October 21, 2015. DEM has determined that all requirements in the order section of the NOV have been completed.

Also, DEM acknowledges receipt of a check in the amount of Twelve Thousand (\$12,000). This payment satisfies the administrative penalty of Twenty Thousand Dollars (\$20,000) that was assessed in the NOV.

As such, all the issues in the NOV have been resolved. DEM hereby releases the NOV and considers the matter closed.

If you have any questions, you may contact me at 401.222.1360 ext. 7407.

Sincerely,

Tracey D'Amadio Tyrrell
Supervising Environmental Scientist
Office of Compliance and Inspection
